I, _____ (print student's name) and _____ (print guardian's name) understand that cross country/flag football/volleyball/basketball/soccer is a physically demanding sport. We understand that while every precaution is taken for the safety of the athletes, injuries can occur. We understand that High Point Academy, its faculty and staff, are not liable for injuries that occur during practice or during games. We understand the athlete must pass a physical from a doctor and that the uniforms must be returned back to High Point Academy at the end of the season or we will be assessed a fee of \$35.00. We also understand that transportation to practices, games and team functions must be provided by the athlete and his/her family. We understand that the athletes' grades will be monitored weekly, and that any failing grade will disqualify them from that week's game. We understand that, while this is a competitive league and we will be doing our best to win, that sportsmanship and respect are the key values to this entire league, and that disrespectful behavior from the team or individual athletes will not be tolerated. We understand that we are here to have fun first. We understand that failure to act respectfully at sports functions will result in being asked to leave.
