High Point Academy

Thursday, April 25, 2019 Volume 13, Issue 17

Our mission is to provide a strong foundation of academic excellence in partnership with family and community in which each individual is challenged to achieve his/her highest potential academically, socially, and personally.

Mother & Son Breakfast

Mother & Son Breakfast on Tuesday, May 7th 8:00-8:30 a.m. To reserve a spot, please contact: anoble@highpointacademy.net

Father & Daughter Dance

Don't Miss Out on the Father & Daughter Dance on May 16th 5:00-7:00 p.m. There will be dinner, a dj and dancing! For details, contact anoble@highpointacademy.net.

Spring Specials Showcase

Our Spring Specials Showcase is coming up on **Tuesday, May 14th** from **5-7pm**. Come join us for an evening of art, language, activities, and music! K-6 students in Music and Spanish will all be participating in performances on stage, so attendance for these students is crucial to make an awesome show! If your student cannot be at the performance, or if you have any other questions about the event, please reach out to Ms. Lawdan at jlawdan@highpointacademy.net. If you would like to help support your student in learning their music, you can [click here](#) to join the High Point Academy Music Google Classroom using the code: **snnbht** to find lyrics and music. Your help in getting our students concert-ready is greatly appreciated!

2019-2020 Registration

Red folders have already gone out in Thursday folders, which included your student(s) registration documents for next year (please return the red folder with the required documentation inside). Each student must return their blue registration form to complete their registration. If your student's form is not completed and returned, they will not be registered for the 2019-2020 school year. On the registration form, there are 3 highlighted sections that must be completed by a parent or guardian. We encourage parents to review the other sections on the form and make corrections as needed if information has changed. Along with the registration form, the below documents need to be submitted:

- Current Prekindergarten families moving into Kindergarten, will need to return their tuition assistance applications (included in red folder)
- Current 5th grade students, will need to return their signed locker policy (included in red folder)
- Current 6th and 7th grade students will need to return their specials recommendation form. This form will essentially register your students for their specials for the whole year (included in red folder)
- Families will also be able to pay their student(s) 2019-2020 activity fee (payment slip included in red folder)

Facility Rental

Besides working hard to provide an individualized learning plan for your child, we are committed to partnering with the local community. During the year, we are willing to host events at our school. Please contact Timiya Jackson at tjackson@highpointacademy.net.

Milk Caps for MOOLA!

Mrs. Cummins is raising money for her cooking class intensive in May by collecting Longmont Dairy milk caps, so if you or someone you know who orders milk from the Longmont Dairy please bring the milk caps to either room 51 or place in the collection box located across from the receptionist's desk.

If your student(s) are not returning to High Point for the 2019-2020 school year or if you have questions, please reach out to Jill Fitz personally by email at jfitz@highpointacademy.net

Message from the Executive Director/Principal

Dear HPA Families,

“Teachers open our eyes to the world. They give us curiosity and confidence. They teach us to ask questions. They connect us to our past and future. We have lots of heroes today- sports stars, super models and media personalities. They come, they have their fifteen minutes of fame, and then they go. But the influence of a good teacher stays with us. They are the people who really shape our lives.” (Jonathan Sacks).

Many of us have memories of that teacher that changed our lives, believed in us when we didn't believe in ourselves, or made school fun and exciting. That special teacher may have instilled a love for learning, a sense of awe, and a level of curiosity that stayed with you for the rest of your life. What is most remarkable is that teachers touch students' lives each and every year. Teachers start each and every year with hopes and plans to reach and support every child in their class.

The week of May 6th – 10th we have the opportunity to acknowledge and celebrate teachers at HPA. Teacher Appreciation Week is organized by the PTO. I encourage you to join the PTO and take time to acknowledge the tremendous efforts that our faculty put into creating safe, engaging, and intentional learning experiences for our students. As a community, let's show our gratitude and appreciation to the real superheroes in our society. A hand written note, a quick email, a flower, a picture, a Starbucks, a thank you card would touch the hearts of our teachers more than you know and would show them how much we value all that they do for our students each and every day. What a powerful example this would be for our children to see us showing acts of kindness and gratitude to the people who make HPA a great place for our students to learn and grow.

Next week we have our last round of parent-teacher conferences. This conference will provide you with information of your child's progress this year. Their strengths and areas for growth. Conferences are a valued part of our programming and we look forward to these opportunities to connect with you about your child's experience. Please be sure to sign up with your child's teacher. Teachers work hard to prepare and share this valuable information with you.

This time of year we are actively planning for 2019-2020 school year. Part of our work involves enrollment. You may have noticed that we are actively marketing our school and ensuring that families in our area know we are an excellent option. From our research, 90% of our families were referred to us by current families. Word of mouth is our number one marketing strategy. Thank you for referring friends and families to us, this strengthens our community and truly makes us the “High Point Family.” If you are looking for ways to support our efforts and/or complete volunteer hours, please reach out to the office for ways you can contribute. And, above all else, please be sure to secure your spot at High Point Academy by completing all the information in the Red Folders.

Enjoy the upcoming 3 day weekend!

With husky pride,

Keri Melmed

Donation Opportunities

Our health office is in need of gently used uniforms in all sizes.

7th Grade is in need of Clorox wipes and tissues.

Career Fair

Middle School is looking for parents who are willing to share their careers with our students. We are looking for 90 minutes of your time to share your career with our 7th and 8th grade students. During this event, you will have a table for you and anyone else you'd like to bring to showcase your career, and our students will roam around the tables asking questions about your career, education level, average pay for your career and questions about your daily life in your career. Our career fair this year will be on Tuesday April 30th from 2 PM – 3:30 PM. Please reach out to Ms. Rachel Bauer our middle school counselor if you are excited to share your career with our students! rbauer@highpointacademy.net 303-217-5152.
