Message from the Executive Director/Principal

Dear HPA Families,

Welcome back and happy New Year! On behalf of the entire faculty and staff, we hope that you enjoyed the winter break and that it afforded time with family and friends. We were thrilled to reunite with the beautiful and energetic faces that bounced through our doors on Tuesday morning.

Looking ahead at 2020, we are excited to share an update on the development around the school. We have been in close contact with the developers and are beyond excited to announce that 2020 will see - 150 new homes just west of the school, Dunkirk will expand to a four lane road, 450 homes in the area south of 64th, and High Point Boulevard will connect with Dunkirk.

What we are most excited about is the High Point Field and Park planned adjacent to our school. A full field and playground is underway south of HPA along 67th and Dunkirk. HPA will have full access to the field and park and we are working closely with the developers with the design and construction. Besides providing an additional place for our students to play, the park and field will include an additional parking lot. We know how much we've needed this additional parking space, and we are happy to say that it is coming! Stay tuned... we will continue to share information as it is made available.

On Monday, the staff returned rejuvenated and ready for second semester. Behind the scenes, we engaged in trainings to strengthen our instructional practices, including creating and supporting safe and caring learning environments. As a staff we committed to doing everything in our power to ensure that your child continues to grow both academically and socially in our care.

This semester is filled with opportunities for student learning and community gathering. From student-led conferences, Father & Daughter Dance, Mother & Son Breakfast, Talent and Fashion Shows, to a variety of afterschool activities, just to name a few, please be sure to stay informed and involved.

A few critical reminders:

We appreciate your support by ensuring your child is here on time, each and every day, prepared with their homework and ready to engage productively with their peers. The school day starts at 8AM. Students that are walking through the doors at 8AM are marked tardy. Students are expected to be IN class at 8AM. Please take advantage of the FREE supervision that is provided by the school starting at 7:30AM. This helps alleviate the carpool congestion and ensures your child is on time and ready to learn at 8AM.

We appreciate your support during afternoon carpool pick up. We know that traffic backs up along Dunkirk and we appreciate your patience. Please DO NOT cross the double yellow line and pass other cars that are lined up waiting to turn on 67th. Please DO NOT drive in the direction of ongoing traffic to get to the school parking lot. Please DO NOT make U-Turns on Dunkirk after picking up your student who was walking along Dunkirk. We work hard to ensure student safety during this time and breaking those traffic rules puts our students in danger. We understand the stress and frustration dismissal can cause and we continue to work with the city to find solutions.

As always my door is open, please feel free to swing by, shoot me an email, or give me a call if you have any questions, concerns, or suggestions.

We look forward to a successful second semester and all that 2020 will bring.

With husky pride,

Keri Melmed
