The executive director makes the school's governing documents, conflict of interest policy, and financial information available to the public upon request.

Form 990, Part IX Line 24e:

The school is a participant in the State's public pension plan (PERA) and began reporting a portion of the State's unfunded net pension liability following Governmental Accounting Standards Board Statement (GASB) No. 68 Accounting and Financial Reporting for Pensions - an amendment of GASB Statement No. 27 in fiscal year 2015. The School also participates in the State's Postemployment Healthcare Benefit Plan per GASB Statement 75. As a result of these GASB statements, the school records an expense in its Government Wide financial reports each year that swings widely from year to year based on future investment return assumptions, participation and other projections made by PERA's actuaries. Due to the unpredictable and uncontrollable nature of these swings, and that the liability is not a true liability of the school, these State driven accruals are reported as Other in Part IX to allow the reader to track the impact of these accruals separately and to remain consistent with historical reporting.

Form 990, Part XII, Line 2c:

The board of directors oversees audit services and selection of independent auditors. This has not changed from the prior year.
