## A Message from Executive Director/Principal, Keri Melmed

Dear HPA Families,

Things are feeling more and more normal with our amazing students back in the building!

Walls are filling with student work, the playground is filled with play and laughter, classrooms are robust with learning, afterschool activities are in full swing, sports are occurring, just to name a few. We are hopeful that we will be able to bring back more of our students in quarter 4. Please be on the lookout for more information about our in-person and online options for 4<sup>th</sup> quarter in the coming week.

Since the beginning of the year HPA has been actively supporting staff in receiving their vaccine. We are happy to report that, in the next few weeks, we will have successfully vaccinated over 60% of our staff. With staff vaccinated they will have an extra layer of protection. This greatly supports the school's ability to operate, have necessary supervision, and keep the flow of learning.

That said, this week the school experienced two covid positive cases which resulted in the closure of two classes. If your child was in the class with the positive case, you would have been notified and given specific instructions. This occurrence is an important reminder that while COVID rates are declining and vaccinations are occurring, we cannot ease our diligence and we must continue to follow our precautions.

Specifically:

- If your child is not well, keep them home. If you have questions about whether they should come to school, contact our clinic assistant –Emily Chouinard at [echouinard@highpointacademy.net](mailto:echouinard@highpointacademy.net).
- If your child is a close contact of someone who has tested positive for COVID-19, keep them home and contact the school for quarantine guidance. (Close contact is someone who has been within 6 feet of someone with COVID-19 for 15 minutes or more in a 24-hour period).
- If your child is experiencing COVID like symptoms, keep them home. We encourage you to get them tested for COVID-19 (See free testing sites).
- If anyone in your household is exposed to COVID-19 or tests positive for COVID-19, keep your child at home and contact our clinic assistant for guidance - Emily Chouinard at [echouinard@highpointacademy.net](mailto:echouinard@highpointacademy.net).

We are grateful to you for your continued support and patience as we navigate this tricky school year.

With warm regards,

Keri Melmed, Executive Director/Principal

# Husky PRIDE Focus

## Participation

The focus of the month for February is Participation:

- I can help my family cook a meal
- I can listen to my classmates when they are speaking
- I can play games with my family
- I can help around the house with daily chores
- I can speak loud enough so everyone can hear
- I can build on my classmates thinking with my own comments

# Carpool

## Carpool Suggestions:

- Encourage walking! Avoid using the carpool lane, drop off on neighboring streets and allow students to use the sidewalk along Dunkirk Street to walk to school.
- Share the ride! Connect with other parents and coordinate a carpool schedule. See page 8 for more details.
- Bike to school! We have bike racks for students who would like to bike it to school.

## Carpool Safety:

- Do not park along Dunkirk Street.
- Do not make U-Turns along Dunkirk Street.
- Use caution when entering Dunkirk Street.

Morning Carpool

Afternoon Carpool

# Carpool Cont.

## Morning Drop Off –

- Please have your child ready to go with their coats, backpack and mask on by the time you reach the drop off area
- In the morning there is only one drop off lane, please stay in the right lane and follow the direction of the staff members greeting you and your child
- If your child walks to school, they are allowed in the building at 8am, there is no supervision for children who arrive prior to 8am

## Afternoon Pick Up –

- Please have your name card on your dashboard (all grade levels will receive a name card by the end of next week)
- In the afternoon there are 2 carpool lanes. If you are a K-8 family, you can use either lane, preschool families must stay in the right lane

**We are aware of the increase in traffic and surrounding construction that makes 64<sup>th</sup> and Dunkirk a challenging intersection. We appreciate your patience and know that we are working on the following to alleviate the congestion:**

- A police office has been hired to help with traffic control from 7:45-8:45 am in the morning and 2-3pm in the afternoon on Mondays. We are working with Denver Police Department to see if they can help on Tuesdays, Wednesdays, and Thursdays.
- Working with the city of Denver to install a traffic light. We have been waiting for this for the past two years and we are now on their list for installation. Unfortunately, we have not been given a projected date yet.
- In the meantime, we encourage families to contact:

**SIGNAL SERVICE REQUESTS:** You can request traffic signal services by calling 311 or entering a request online at [www.denvergov.org/pocketgov](http://www.denvergov.org/pocketgov). Please identify the specific location of the traffic signal request, 64<sup>th</sup> and Dunkirk. Describe the specific problem “we need a 4-way traffic light”. A case will be created in the tracking system and you should receive a case number for this issue. To track the status of your request, keep your case number. You can call 311 after the expected time has passed to check in on the status of your request, providing your case number to the 311 agent. If you would like to receive email up-when dates about your case, please provide your email address you submit your request.

## Schoolpool

We are pleased to partner with Schoolpool, a program to help parents get their students to/from school. It's free and there is no obligation to participate. Schoolpool is a service of Way to Go, a federally funded program of the Denver Regional Council of Governments (DRCOG).

### How Does Schoolpool Work?

1. Create an account and register your household address or intersection here: <https://mywaytogo.org/s/schoolpool-high-poiefb14> (To maintain the highest level of privacy and security, this link is the only way for High Point Academy participants to register.)
2. Add comments to indicate special requests or preferences, such as "can provide morning rides in exchange for afternoon rides," "student is in after-school activities," or "looking for a walk buddy in the mornings."
3. Find and contact interested High Point Academy families in your neighborhood or along your drive to/from school.

High Point Academy has partnered with Way to Go to offer this program to our parents as a free service with the goal of reducing traffic congestion and minimizing the stress of getting children to and from school. Rest assured, your information will only be shared with participating High Point Academy families. No one else will ever see your information, unless you elect to share your information with families at other schools.

The Schoolpool secure mapping service can be used for trip planning, or emergency trips and is a great resource to meet nearby families for other reasons such as play-dates and baby sitters.

The more families that register, the more likely you are to find good matches. Contact Way to Go at 303-458-7665 or [waytogo@drcog.org](mailto:waytogo@drcog.org) for assistance.

*Information is provided for your use only. High Point Academy and Way to Go do not run background checks, confirm valid driver's licenses or assess insurance coverage on participants. Potential users are advised to screen participants to their personal satisfaction and check their own insurance coverage for carpooling to ensure that they are covered under these voluntary arrangements. No drivers, vehicles or insurance are provided.*
