March 26, 2021 Volume 15, Issue 7

Our mission is to provide a strong foundation of academic excellence in partnership with family and community in which each individual is challenged to achieve his/her highest potential academically, socially, and personally.

A Message from Executive Director/Principal, Keri Melmed

Dear HPA Families,

It has been a full and busy first week back! Our building, classrooms, playground, and hallways, always feel better with the smiles, laughter, and joy of our students.

While we are getting back into the swing of things in our community, our thoughts, prayers, and support goes out to the families and friends of the victims of the mass shooting in Boulder. That, coupled with the shooting in Atlanta, leave us grieving and saddened by the lives so unnecessarily lost. We stand with the Boulder community and with our Asian American community. Hate crimes against the Asian community and senseless gun violence have no place in our world.

We all grapple with and process these tragic events in our own way. The effects can impact adults and children in various ways whether we are connected to the shooting or not. Your child may ask questions about what happened and show signs of concern. To support you and your child, here are a few resources you may find helpful:

- [Colorado Crisis Services](#)
1-844-493-8255 - Text "TALK" to 38255
- [National Child Traumatic Stress Network](#)
[Age-Related Reactions to a Traumatic Event](#)
- [CSI Compiled Mental Health Resources](#)

We are excited to start the final quarter of our school year. HPA is working hard to ensure a safe end to the year. We look forward to celebrating our graduating preschoolers, Kindergartners and 8th graders. We hope to hold Field Day, Continuation Ceremonies, and Intensives. Teachers and staff are innovating and determined to keep these wonderful traditions. More information regarding these events will be communicated in the coming weeks.

HPA continues to respond to the coronavirus and ensure that our campus is as safe as possible for our in-person students and staff. We will continue to wear masks, socially distance, and wash/sanitize our hands frequently throughout the day. Our cleaning service works throughout the day to sanitize and keep our common spaces as clean as possible. Arrival and dismissal will follow the same procedure and we thank you for your patience. We ask that you continue to actively monitor your child's health and keep them home if they are not well and if they have been exposed to someone with covid-19.

Our hope is to keep covid-19 out of HPA and our campus open!

Over the next few months we will hold a series of virtual Family Information Nights through zoom. Next week, Tuesday, March 30 at 6pm we will hold a meeting for all 3rd through 8th grade families regarding state testing (CMAS). The link for that meeting is:

Husky PRIDE Focus

Responsibility

The focus of the month for March is Responsibility:

- I keep my desk space clean and organized
- I finish my work without being reminded
- I am in control of my own behavior
- I do my part when working in a group
- I am prepared for class
- I take ownership of my actions both in and out of the classroom

Traffic Control at 64th Ave. and Dunkirk St.

HPA works with Aurora Police Department to find off duty police officers who would like to work traffic control at the intersection of 64th Ave. & Dunkirk St.

At this time there is only 1 officer who has accepted the job. Officer Johnny Lee works on Mondays AM & PM

We have reached out to Denver Police Department for any interested officers, none have responded

Due to city/insurance regulations, we aren't allowed to hire parents to do traffic control

64th and Dunkirk Traffic Signal Update

The signal at 64th Ave and Dunkirk has been selected to receive funding in 2021. It is one of 4 signals out of 23 warranted signals to receive funding.

The signal now moves into design.

It is anticipated that construction will begin in 2022.

This signal requires coordination with the developer on the southwest corner to complete the civil work on that corner. Signal projects normally take 1-3 years for design and construction.

Councilwoman Stacy Gilmore's office is aware of this project. Families are encouraged to reach out to her office if needed:
