

*Our mission is to provide a strong foundation of academic excellence in partnership with family and community in which each individual is challenged to achieve his/her highest potential academically, socially, and personally.*

## Integrity

The focus of the month for April is Integrity:

- Doing the right thing even when no one is watching
- Being dependable and following through when you say you are going to do something .
- Being open and honest when communicating with others
- Speaking your truth- your thoughts, opinions, and ideas matter.
- Holding yourself accountable and owning up when you make a mistake - we all make them
- Keep your promises even if it takes extra effort
- Do not gossip or talk badly about someone- rather build people up.

## **Traffic Control at 64th Ave. and Dunkirk St.**

HPA works with Aurora Police Department to find off duty police officers who would like to work traffic control at the intersection of 64<sup>th</sup> Ave. & Dunkirk St.

At this time there is only 1 officer who has accepted the job. Officer Johnny Lee works on Mondays AM & PM

We have reached out to Denver Police Department for any interested officers, none have responded

Due to city/insurance regulations, we aren't allowed to hire parents to do traffic control

## **64th and Dunkirk Traffic Signal Update**

The signal at 64th Ave and Dunkirk has been selected to receive funding in 2021. It is **one of 4 signals out of 23** warranted signals to receive funding.

The signal now moves into design.

It is anticipated that construction will begin in 2022.

This signal requires coordination with the developer on the southwest corner to complete the civil work on that corner. Signal projects normally take **1-3 years for design and construction**.

**Councilwoman Stacy Gilmore's office is aware of this project. Families are encouraged to reach out to her office if needed:**

## “When is My Child Sick Enough to Stay Home?”

This is not always an easy question to answer! Here are a few tips from our school health clinic...

We ask that you please do not send your child to school if he/she has any of the following:

- Fever (temperature 100°F or higher) in the past 24 hours
- Vomiting in the past 24 hours
- Diarrhea in the past 24 hours
- Chills
- Sore throat
- Strep Throat (must have been taking antibiotic for at least 24 hours before returning to school)
- Bad cold with very runny nose or bad cough (student needing to take mask off frequently)
- Any COVID-19 symptoms (not sure if it's COVID, please contact Mrs. Emily Chouinard, Health Assistant for COVID test)

If your child becomes ill at school and the school health assistant feels your child is too sick to benefit from school or is contagious to other children, you will be called to come pick up your child.

Tips for keeping your child(ren) healthy:

- At least 6-8 hours of sleep every night.
- Eat a good healthy breakfast. HPA offers free breakfast for every student.
- Frequent hand washing
- Staying hydrated. HPA encourages students to bring a water bottle to school every day.

These guidelines are meant to serve the best interests of all the children in school. If you have questions or concerns, please do not hesitate to call.
