May 7, 2021 Volume 15, Issue 10

Our mission is to provide a strong foundation of academic excellence in partnership with family and community in which each individual is challenged to achieve his/her highest potential academically, socially, and personally.

A Message from Executive Director/Principal, Keri Melmed

Dear HPA Families,

“Teachers open our eyes to the world. They give us curiosity and confidence. They teach us to ask questions. They connect us to our past and future. We have lots of heroes today- sports stars, super models and media personalities. They come, they have their fifteen minutes of fame, and then they go. But the influence of a good teacher stays with us. They are the people who really shape our lives.” (Jonathan Sacks)

As you know it is Teacher Appreciation Week and I want to join you in thanking our devoted, committed, hardworking, and passionate staff for everything that they have done for our students this year. The COVID-19 pandemic presented many barriers and obstacles and our teachers rose to the occasion! HPA staff did not quit, instead they created wonderful learning experiences and programming both online and in-person for our students. We could not have made it through this year without their enthusiasm, dedication, and passion. I am truly blessed to be working alongside such a wonderful faculty and staff.

We have extended the window for our family satisfaction survey. Each year we conduct a survey to gather feedback from you to ensure we are meeting the needs of our community. We know that you are busy, so we have condensed the survey significantly. It should only take 3-5 minutes for you to complete. We highly encourage you to participate so that your voice is heard. The survey data is used to make decisions that impact the direction of our school.

It is hard to believe that we are so close to the end of this school year. There's so much excitement in the building as we prepare for the many end of year happenings, please be sure to read communication from the school so that you are well informed.

With husky pride,

Keri Melmed, Executive Director/Principal

2020-2021 Family Satisfaction Survey

Have your voice heard! Every year we send out a Family Satisfaction Survey to all of our families and we truly value your input. This year we have shortened the survey significantly and believe that it will take less than 5 minutes to answer the 10 questions on the survey. Staff, administration, and our Governing Board will review your feedback carefully and use the data to guide decisions about the future of HPA.
