## Carpool

We ask that families continue to follow carpool etiquette, find family, friends, classmates who would like to carpool, allow older students to walk or bike to school.

## \*Inclement Weather Dismissal

\*Inclement weather- below 25°, high winds, rain, or snow between 2:30-4:00.

For the safety of all, School Policy requires that families stay in their vehicles during arrival/dismissal.

However, for those who wish to park and stand in line to pick up their student(s) during inclement weather, please note:

- 3:15 **Carpool Dismissal** to the East of the Wellness Doors (see green arrow)
- 3:30 **Walkers Dismissed** thru Front Doors of the School. Parents can call ahead to inform if student should go to carpool instead.
- 3:45 **Parked Pick Up** to the West of the Wellness Doors (see red arrow)
- 4:00 Late Pick Ups at the front of the school, late fees will apply

Please respect the handicap parking spaces. Only clearly marked handicapped vehicles may use these spaces.

We are working hard with the Aurora and Denver Police to hire an off-duty police officer to assist with traffic control at the intersection of 64<sup>th</sup> and Dunkirk.

Since this summer, we have secured the following coverage:

- We have morning coverage Monday through Friday at 64th and Dunkirk (7:15-8:15am).
- We have Monday and Wednesday afternoon coverage at 64th and Dunkirk (3:20-4:00pm). **We are still looking for Tuesday, Thursday, and Friday afternoon carpool coverage.**

We do have staff members in orange vests assisting with crosswalks but not traffic. Per police regulations, only law enforcement can stop/control traffic.

Police Officers are doing their best to help direct traffic, but keep in mind, that they too need to be safe with large on-coming traffic.

## **Our Kids Heart Challenge Road Trip is starting soon!**

On 1/12/2022 we will kick-off this year's Kids Heart Challenge Road Trip! Students will learn how and why they need to take care of their hearts and have the opportunity to help others by raising awareness and funds for the American Heart Association. [Click here for a Sneak Peek of the program!](#)

Finn's Mission will be your road map along the way! Check it out on the Kids Heart Challenge app for [iPhone](#) or [Android](#), or [online](#).

If you can help raise funds, the American Heart Association will put those dollars to work saving lives. Every dollar makes a difference. All students will participate in the activities whether you choose to raise donations or not.

Parents - you can join your student (s) on the road. We invite you to join us in at-home heart-healthy behaviors by accessing the [KHC Experience](#).

**Why do we Support the American Heart Association?** 1 out of 3 American adults have high blood pressure and don't even know it. Funds raised enable the AHA to ensure 200 million patients are covered through Target BP and their local health care options. Taking a challenge to improve your heart is an important step in Finn's Mission. Understand more about High Blood Pressure [HERE](#).

Thank you!
