April 22, 2022 Volume 16, Issue 16

Our mission is to provide a strong foundation of academic excellence in partnership with family and community in which each individual is challenged to achieve his/her highest potential academically, socially, and personally.

A Message from Governing Board President, Jane Shirley

Dear High Point Academy Families,

As Keri recently communicated to our community, she will be “graduating” from HPA at the end of this year. For me, graduations are always bittersweet. While it is a time to celebrate accomplishments and look forward to the future, it is also a time of sadness as we say goodbye and close a chapter that holds so many dear memories.

On behalf of the board, I'd like to express our deep appreciation and admiration for Keri's leadership and the continued growth and success that High Point has achieved through her work over the past nine years.

I'd also like to share with you the timeline and process we will use to select our new Executive Director. This process will include opportunities for staff and families to provide input by sharing feedback on characteristics and competencies that are most important to you in our next leader.

In addition, we will be seeking a family representative to serve on the interview committee. If you would be willing to serve on this committee, please send an email to jschmidt@highpointacademy.net by April 11. We will conduct a drawing on April 12 to select the committee representative and one alternate from among those who indicate availability.

The full timeline and process is attached to this email. Please note that dates are tentative, and we will keep you informed of any significant changes. Interviews are tentatively scheduled for the week of April 25 and we hope to complete the process by mid-May.

Thank you for your continued support. If you have questions, you can email me at jshirley@highpointacademy.net

Sincerely,

Jane Shirley

HPA Board President

Health Office Donation Request

The clinic needs donations!

- Polo shirts in green, white, navy, and maroon, in all sizes (especially in need of sizes 10-18 and adult small, medium, large)
- New in package socks for girls and boys size youth 4-10

We are also in desperate need of used uniforms to have for students in the health office. If you have any uniforms that your child has outgrown that are still in good condition we could really use them, especially in sizes for 4th-8th grade students.

In the Community

Dear caregivers, parents, and families:

Before school lets out I wanted to tell you about Denver Public Library's Summer of Adventure program, which encourages youth from birth to 12th grade to grow, learn and have fun while school is out. Best of all, it's FREE!

During the last couple of years, young people have experienced loss in social connections and academic learning. Over the summer months, while not in school, students who lack access to learning opportunities also lose anywhere between 1-3 months of reading and math skills. This is referred to as the summer slide or summer learning loss.

It's more important than ever for youth to experience connection, growth and fun. Summer of Adventure provides youth with opportunities for self-paced informal learning and activities to help them retain academic and social skills during the summer months. Plus, participants have the chance to earn prizes throughout the summer!

You can learn more and register for Summer of Adventure by doing any of the following:

- Drop by your local Denver Public Library branch
- Visit summerofadventure.org

Summer of Adventure offers youth an opportunity to safely resume some of their favorite activities, connect with their community and grow knowledge while earning prizes along the way.

Our closest public library branch is **Green Valley Ranch**, located at 4856 Andes Ct, Denver, CO 80249 . If you have any questions, feel free to contact Maureen, mquinlan@denverlibrary.org at the Green Valley Ranch Library.

Have a wonderful summer!

Clothes to Kids

While school uniform clothing is not always included [Clothes to Kids](#) does have some basic uniform pieces (khaki and navy pants) that are mixed in to the shopping racks. Volunteers can also check the back for families with specific uniform requests. This is the slow season at [Clothes to Kids](#), so any families that visit in the next couple months will have a really good selection and a better chance of finding school uniforms.
