From the Health Office

Health Office Donation Request

The clinic needs donations!

- Polo shirts in green, white, navy, and maroon, in all sizes (especially in need of sizes 10-18 and adult small, medium, large)
- New in package socks for girls and boys size youth 4-10

We are also in desperate need of used uniforms to have for students in the health office. If you have any uniforms that your child has outgrown that are still in good condition we could really use them, especially in sizes for 4th-8th grade students.

How to Keep Your Kids Calm with Mindful Eating

During stressful times, it's common to eat salty, sweet or high-fat foods. Unfortunately, these comfort foods can often make stress and anxiety worse. By practicing mindful eating, you can calm the minds and bodies of your children. Improve your household's mental and physical wellbeing by making healthy food choices. We're here to help you figure out which foods to serve and which to avoid.

In the Community

Dear caregivers, parents, and families:

Before school lets out I wanted to tell you about Denver Public Library's Summer of Adventure program, which encourages youth from birth to 12th grade to grow, learn and have fun while school is out. Best of all, it's FREE!

During the last couple of years, young people have experienced loss in social connections and academic learning. Over the summer months, while not in school, students who lack access to learning opportunities also lose anywhere between 1-3 months of reading and math skills. This is referred to as the summer slide or summer learning loss.

It's more important than ever for youth to experience connection, growth and fun. Summer of Adventure provides youth with opportunities for self-paced informal learning and activities to help them retain academic and social skills during the summer months. Plus, participants have the chance to earn prizes throughout the summer!

You can learn more and register for Summer of Adventure by doing any of the following:

- Drop by your local Denver Public Library branch
- Visit summerofadventure.org

Summer of Adventure offers youth an opportunity to safely resume some of their favorite activities, connect with their community and grow knowledge while earning prizes along the way.

Our closest public library branch is **Green Valley Ranch**, located at 4856 Andes Ct, Denver, CO 80249 . If you have any questions, feel free to contact Maureen, mquinlan@denverlibrary.org at the Green Valley Ranch Library.

Have a wonderful summer!

Building Community...

Together

We Have Partnered with American Furniture Warehouse!

When you make a purchase at American Furniture Warehouse, mention High Point Academy and a portion of the sale is donated to our school.

The Partnership That Keeps on Giving!

King Soopers Community Rewards program makes fundraising easy by donating to our school based on the shopping you do every day. Once you link your Card to High Point Academy, all you have to do is shop at King Soopers and swipe your Shopper's Card. Here's how it works:

1. Create a digital account- A digital account is needed to participate in King Soopers Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose
2. Link your card to "High Point Academy PTO" and click save <https://www.kingsoopers.com/i/community/community-rewards>
3. King Soopers will send HPA PTO a check at the end of the school year with any funds earned.
